## WILDING WALLBED OPTIONS

### SIDE MOUNT WALLBED LIGHTING SYSTEM

The Wallbed light kit includes two recessed Can lights, touch switch, three way controller and safety cut off device. System plugs into any standard wall outlet.

The touch switch is conveniently located on the head board and activates the lights by touch to a low, medium or high setting. The light kit employs a safety cut off device, which turns the lights off automatically if the bed is closed with the lights inadvertently left on. All power cords are concealed within the cabinetry so there are no unsightly cords.

Lights available in Brass, Black or Chrome.

Wallbed Lights Incandescent \$269.00

LED Lights \$324

### 3 Plug Outlet with flip top

3 plug outlet with flip top shown closed

This 3 plug outlet is available to insert into the top of our Desk Top and provides convenient power, phone and computer hook up. This option replaces the grommet hole that is standard with the Desk Top.....\$39
